

src/centroidalifold
/iupac.h

```
graph TD; A["src/centroidalifold/iupac.h"] --> B["vector"]; A --> C["string"];
```

A diagram illustrating dependencies. At the top is a gray rectangular box with a black border containing the text "src/centroidalifold/iupac.h". Two blue arrows originate from the bottom edge of this box. The left arrow points to a white rectangular box with a gray border containing the text "vector". The right arrow points to another white rectangular box with a gray border containing the text "string".
